Helpful Guidelines

1. Every Christian (including you) has at least one spiritual gift.
2. There is a possibility for you to have any of the gifts.
3. Pray. Ask the Holy Spirit to show you what your gifts are.
4. Keep your natural gifts in mind. They may give you a hint of your spiritual gifts.
5. Experiment with all of the available spiritual gifts to know for sure what gifts you have.
6. Evaluate yourself. Do you find joy in using your gift? Is it an inward or outward focused joy?
7. Ask other Christians who are mature if they see others being built up from using that gift?
8. You may discover more than one spiritual gift that God has given you.
9. Recognize that there are degrees of giftedness.
10. Don't wait until you are spiritually mature to start using your gifts.
